IFHNOS MASTERCOURSE OF HEAD & NECK SURGERY

Dear All,

Dr B Borooah Cancer Institute (BBICI), Guwahati which is the pioneer Cancer Institute in North-East India, will be hosting the International Federation of Head & Neck Oncologic Societies (IFHNOS) Head & Neck Master Course 2020 on 17th - 18th April, 2020.

Standardization of good surgical technique throughout the world, adhering to the principles of Surgical Oncology is crucial. With that focus, IFHNOS introduces a new program of, "Master Courses in Operative Techniques in the Head and Neck Surgery". These hands on courses with Live surgery, and didactic presentations, with sequential operative steps and videos, of proper operative techniques will be given by Global experts - Master Surgeons - in a 2 day program. The focus of this program would be on proper oncologic, safe and clean surgical techniques, their indications, pearls and pitfalls, and complications etc. The procedures most commonly shown would be neck dissection, thyroid surgery, parotid surgery, and other demonstrable surgical procedures in the head and neck. Hope this event will aspire to help the clinicians from all over NE India as well as the rest of the country to get updated on the best available evidence in Head and Neck Surgeries.

Renowned national faculty members will cover the above topics in a very focused and succinct manner. The target audiences for the meeting are Head & Neck surgeon, ENT Surgeon, Dental Surgeon, Radiation Oncologist, Medical Oncologist, Radiologists, Pathologists, Nuclear Medicine Specialist and Residents and PG Students.

We look forward to welcoming you at this Master course.

Dr. A. K. Das
Professor
Dept. of Head & Neck Surgery
BBICI, Guwahati-16

Dr. A.C. Kataki
Director
Dr. B Borooah Cancer Institute,
Guwahati-16
